A young boy with short brown hair, wearing a dark jacket, stands in the foreground looking upwards with a somber expression. He is surrounded by the ruins of a city, with large, jagged concrete structures and debris in the background. In the distance, other figures can be seen walking through the rubble under a dim, overcast sky. A semi-transparent blue banner with white text is overlaid on the middle of the image.

## Upbringing and Development

Based on the recommendations of the International Forum in support of Gaza following the Israeli aggression on the Gaza Strip in the summer of 2014, and as a result of the continued suffering of the two million Palestinians living under siege since 2006, given the great importance the Palestinian issue is to the Turkish community – especially the Gaza Strip, and the support on an ongoing basis of humanitarian initiatives to alleviate this suffering, a group of experts and aid workers in Turkey gathered to establish the Gazzi Destek Association (GDD) in Istanbul to coordinate the efforts of all the donors to actively contribute to meeting humanitarian and development needs of the Gaza Strip.

## Our Vision

Gazzi Destek Association GDD is a leading humanitarian organization working to improve the quality of human life in the Gaza Strip.

## Our Message

Gazzi Destek Association GDD is a Turkish association that aims to contribute effectively to meet the humanitarian and development needs of the Palestinian community in the Gaza Strip based on scientific basis through humanitarian interventions that promote transparency, integrity and accountability. GDD will also adhere to international and local laws regarding humanitarian action.

## Justice

- Adoption of fair standards in humanitarian assistance, regardless of color, race, belief or affiliation

## Professionalism

- Adoption of professional and innovation as the basis for all our projects in order to maximize the impact of our services on the community.
